In this policy “we”, “us” and “Forest King Tub” refer to MB Europaletes. We process personal data in accordance with Regulation (EU) 2016/679 (GDPR), the Lithuanian Law on Legal Protection of Personal Data and, for visitors from Switzerland, the Swiss Federal Act on Data Protection (FADP).

2. What data we process and why

a) Requests and enquiries (configurator, contact form, consultation). When you send a request we process your name, email address, telephone number (optional), delivery country, postcode/city, your message and the hot tub configuration you selected. Purpose: to answer your request, prepare an offer and arrange a consultation. Legal basis: your consent (Art. 6(1)(a) GDPR) and steps taken at your request before entering into a contract (Art. 6(1)(b)).

b) Orders, delivery and payment. If you place an order, we process your contact and delivery details, order data, invoice data and payment information necessary to perform the contract (Art. 6(1)(b)), and keep accounting records to comply with legal obligations (Art. 6(1)(c)).

c) Communication. If you contact us by email or telephone, we process the data you provide to handle your enquiry (Art. 6(1)(b) or (f) – our legitimate interest in efficient customer communication).

d) Technical data. When you visit the website, your browser transmits technical data such as IP address, date and time, browser type and device information. This is needed to display the site and keep it secure (Art. 6(1)(f)).

e) Statistics and marketing (cookies). Cookies or similar technologies for statistics and marketing are used only if you accept them in the cookie banner (Art. 6(1)(a) GDPR; § 25 TDDDG in Germany and equivalent national rules). You can reject all, choose individual categories, or change your decision at any time.

f) Legal claims. We may retain data needed to establish, exercise or defend legal claims (Art. 6(1)(f)).

3. How the request form works

The request form on this website does not store your data on a web server. When you click “Send request”, your own email application opens with a prepared message containing your details and configuration. The data is transmitted to us only when you send that email. Email is not end-to-end encrypted by default; please do not include sensitive information in your message.

4. Recipients of data

We share personal data only where necessary and with appropriate safeguards:

- IT, hosting and email service providers that operate our website and mailboxes;
- payment service providers and banks (bank transfer, PayPal, Klarna, credit card, TWINT for Switzerland) when you pay;
- freight forwarders and carriers that deliver the product, and service partners in DE/AT/CH/FR where needed for service or warranty;
- accountants, tax advisers and legal advisers bound by confidentiality;
- public authorities, courts and customs where required by law (e.g. for deliveries to Switzerland).

The website loads a 3D graphics library (three.js) from the Cloudflare CDN (cdnjs.cloudflare.com). When your browser retrieves it, your IP address is transmitted to Cloudflare. We do not sell your personal data.

5. Transfers outside the EU/EEA

We aim to process data within the EU/EEA. Switzerland benefits from an EU adequacy decision. If a service provider is located in a third country (for example the USA), the transfer is based on an adequacy decision (such as the EU–US Data Privacy Framework) or Standard Contractual Clauses under Art. 46 GDPR.

6. Retention periods

- Enquiries that do not lead to a contract: deleted within 12 months after the last contact, unless you ask for earlier deletion;
- Contract, order and invoice data: for the period required by law – accounting documents generally up to 10 years;
- Warranty and service records: for the duration of the warranty and applicable limitation periods;
- Cookie consent choice: up to 12 months, then we ask again.

7. Cookies

Strictly necessary technologies (e.g. storing your cookie choice) do not require consent. Statistics and marketing cookies are set only after you click “Accept all” or enable them under “Settings”. “Reject all” keeps them off. You can also delete cookies in your browser settings.

8. Your rights

You have the right to:

- access your personal data (Art. 15 GDPR);
- have inaccurate data corrected (Art. 16);
- have your data erased (Art. 17);
- restrict processing (Art. 18);
- data portability (Art. 20);
- object to processing based on legitimate interests (Art. 21);
- withdraw consent at any time, with effect for the future, without affecting earlier processing (Art. 7(3)).

To exercise your rights, contact us using the details in section 1. We may need to verify your identity. We respond within one month.

9. Complaints

You may lodge a complaint with a supervisory authority, in particular in your country of residence or place of the alleged infringement. Our lead authority is the Lithuanian State Data Protection Inspectorate (Valstybinė duomenų apsaugos inspekcija), L. Sapiegos g. 17, LT-10312 Vilnius, Lithuania, www.vdai.lrv.lt, ada@ada.lt.

10. Obligation to provide data and automated decisions

Providing data is voluntary, but without name, email and delivery country we cannot answer your request or process an order. We do not use automated decision-making or profiling that produces legal effects for you.

11. Security

We use appropriate technical and organisational measures to protect personal data against loss, unauthorised access and misuse, including restricted access and encrypted connections (HTTPS).

12. Changes

We may update this policy when our services or legal requirements change. The current version is always available on this website.
