Shipping & Payment

Forest Kings Tub website · Last updated: 27 October 2026

1. How to order

1. **Place your order on our website.** Choose your hot tub in the configurator and send us your order. Sending the order is free and not yet binding.
2. **We confirm receipt.** We confirm that we have received your order and contact you to review your configuration.
3. **We agree the terms and transport cost.** We send you a written offer by email with the configuration, final price, transport cost, delivery terms, expected delivery time and the estimated maximum cost of returning the goods in case of withdrawal. You accept the offer by email. Until then, you can change your configuration or correct your details at any time.
4. **Order confirmation and invoice.** We confirm the agreed order in writing and send you an invoice for the 50% advance payment with our bank details. The contract is concluded with this confirmation.
5. **Advance payment and production.** You pay the 50% advance payment. We start processing and producing your order only after the advance payment has been received.
6. **Balance and dispatch.** When your hot tub is ready, we inform you and you pay the remaining 50%. We ship the goods once full payment has been received.
7. **Delivery or collection.** With DAP, the carrier contacts you to agree the delivery date. With FOB or EXW, we agree the hand-over date with you or your carrier. You check the goods on receipt.

2. Payment

We accept payment by **bank transfer only**. All prices are in euro (EUR).

- **Advance payment:** 50% of the order value, due within 7 days of our order confirmation.
- **Balance:** the remaining 50%, due before dispatch once we inform you that your hot tub is ready.
- **Payment reference:** please state your order or invoice number.
- **Bank fees:** fees charged by your own bank, including for international or currency transfers, are borne by you. Please make sure the full invoice amount reaches our account.

If the advance payment is not received within 7 days, we may cancel the order confirmation; we will inform you before doing so. If the balance is not paid within 14 days of our notice that your hot tub is ready, we will send you a reminder with a further period of 14 days. If payment is still not received, we may terminate the contract; in that case we refund the advance payment minus our documented costs and losses caused by the non-payment. Until full payment, the goods remain our property and are not dispatched.

If you withdraw from the contract, payments are refunded by bank transfer as described on our Right of Withdrawal page.

3. Prices, VAT and customs

For deliveries within the European Union, prices include the VAT applicable to your order.

For deliveries outside the European Union, for example to the United Kingdom or the United States, the goods are exported without Lithuanian VAT. Customs duties, import VAT or sales taxes and clearance fees in the destination country are paid by you.

4. Delivery terms

We offer the following delivery terms (Incoterms® 2020). The agreed term is stated in our offer:

- **DAP (Delivered at Place):** we deliver the goods to your address. Outside the European Union, you pay import duties, taxes and clearance fees.
- **FOB (Free on Board, sea freight):** we deliver the goods loaded on board the vessel at the agreed port of shipment. You arrange and pay sea freight, insurance, import clearance, duties, taxes and onward delivery.
- **EXW (Ex Works):** you collect the goods from our premises in Lithuania. You arrange and pay transport, insurance and all import formalities, duties and taxes.

Each hot tub is produced to your configuration. Production usually takes 1–3 weeks after receipt of the advance payment.

- **Europe, including the United Kingdom:** road transport, usually 5–10 working days after dispatch.
- **United States and other countries:** sea container; the transit time is stated in our offer.

These periods are estimates. The binding delivery date is stated in our order confirmation and is calculated from the day we receive the advance payment. If we cannot meet it, we will inform you without delay.

5. Delivery cost

The transport cost depends on the delivery term and the delivery address and is stated in our offer before you order. With DAP, it covers transport to your address. With FOB, it covers transport to the port of shipment and loading on board. With EXW, we do not charge transport.

6. How delivery works

With DAP, the hot tub is delivered on a pallet to the kerb, i.e. the first accessible point at the delivery address. Unloading, carrying the product to the installation site and installation are your responsibility unless agreed otherwise in writing.

- Make sure the delivery address is accessible for a freight vehicle.
- Make sure someone is present to receive the goods and has suitable help or equipment for unloading.
- Check the goods in the presence of the carrier. Note visible transport damage on the delivery receipt and inform us in writing within 48 hours, with photos. This does not affect your statutory rights.

7. Contact

For questions about your order, payment or delivery, contact us at info@forestkings.com or +370 620 46372.
