Right of Withdrawal

Forest Kings Tub website · Last updated: 27 October 2026

1. Right of withdrawal

As a consumer, you have the right to withdraw from this contract within 14 days without giving any reason.

The withdrawal period expires 14 days after the day on which you, or a third party other than the carrier indicated by you, take physical possession of the goods. If you order several goods in one order and they are delivered separately, the period expires 14 days after you or that third party take physical possession of the last item.

To exercise the right of withdrawal, you must inform us — MB Europaletes, Vytauto g. 9, Meškučių k., LT-68129 Marijampolė, Lithuania, telephone +370 620 46372, email info@forestkings.com — of your decision to withdraw from this contract by an unequivocal statement (for example, a letter sent by post or an email). You may use the model withdrawal form below, but it is not obligatory.

You can also withdraw online using the withdrawal form on our website www.forestkings.com (button “Withdraw from contract here”). If you use this option, we will send you an acknowledgement of receipt of your withdrawal by email without delay.

To meet the withdrawal deadline, it is sufficient that you send your communication concerning the exercise of the right of withdrawal before the withdrawal period has expired.

2. Consequences of withdrawal

If you withdraw from this contract, we will reimburse all payments received from you, including the advance payment and the costs of delivery (for consumers outside the EU and the UK, see section 5), without undue delay and in any event no later than 14 days from the day on which we are informed about your decision to withdraw.

We do not reimburse supplementary delivery costs that result from your choice of a type of delivery other than the least expensive standard delivery offered by us.

We will carry out the reimbursement by bank transfer to the bank account from which you made the payment, unless you have expressly agreed otherwise. In any event, you will not incur any fees as a result of the reimbursement.

We may withhold reimbursement until we have received the goods back or you have supplied evidence of having sent back the goods, whichever is the earliest.

3. Return of the goods

You must send back the goods or hand them over to us, or to a carrier arranged by us, without undue delay and in any event no later than 14 days from the day on which you communicate your withdrawal to us. The deadline is met if you send back the goods before the period of 14 days has expired.

Hot tubs cannot be returned by normal post. They must be returned on a pallet by freight, packed securely, together with all accessories, the stove, chimney parts and documents. Please contact us before sending so we can agree the pick-up date and freight details.

You bear the direct cost of returning the goods. Because hot tubs are shipped by freight, the cost depends on your delivery address. The estimated maximum return cost for your address is stated in our written offer before you accept it.

On request, we can arrange the pick-up ourselves; in that case we deduct the actual freight cost from the reimbursement, up to the estimated amount stated in our offer.

You are only liable for any diminished value of the goods resulting from handling other than what is necessary to establish their nature, characteristics and functioning. In particular, filling the tub with water or firing the stove goes beyond such handling.

4. Exceptions

The right of withdrawal does not apply to goods made to your individual specifications or clearly personalised, where we have expressly identified them as such in our written offer before you accepted it (for example, a non-standard size, shape or design outside the options of our configurator). Hot tubs configured only from the standard options of our configurator are covered by the right of withdrawal.

5. Customers outside the European Union

Consumers in the United Kingdom have an equivalent 14-day right to cancel under UK consumer law; this page applies to them accordingly.

For consumers in the United States and other countries where local law does not provide an equivalent right, we grant a contractual right of withdrawal on the same terms as described on this page, with one exception: the costs of delivery to you are not reimbursed. Mandatory consumer rights of your country of residence remain unaffected.

Customs duties, import taxes and clearance fees that you paid directly on import cannot be refunded by us; you may be able to reclaim them from your local customs authority.

6. Model withdrawal form
