Forest Kings Tub website · Last updated: 8 November 2026

1. Controller

The controller responsible for processing your personal data on this website is:

Company	MB Europaletes
Address	Vytauto g. 9, Meškučių k., LT-68129 Marijampolė, Lithuania
Company code	304924983
VAT number	LT100012395710
Telephone	+370 620 46372
Email	info@forestkings.com
Website	www.forestkings.com

In this policy “we”, “us” and “Forest Kings Tub” refer to MB Europaletes. We process personal data in accordance with Regulation (EU) 2016/679 (GDPR), the Lithuanian Law on Legal Protection of Personal Data and, for visitors from the United Kingdom, the UK GDPR and the Data Protection Act 2018.

2. What data we process and why

a) Orders and enquiries (configurator request form, contact form, consultation booking). When you send a request or enquiry through our website, we process your name, email address, telephone number (optional), delivery country, postcode/city, your message and the hot tub configuration you selected. Purpose: to confirm receipt of your request, agree the terms and transport cost, prepare an offer and arrange a consultation. Legal basis: your consent (Art. 6(1)(a) GDPR) and steps taken at your request before entering into a contract (Art. 6(1)(b)).

b) Orders, delivery and payment. If you place an order, we process your contact and delivery details, order data, invoice data and bank payment details necessary to perform the contract (Art. 6(1)(b)), and keep accounting records to comply with legal obligations (Art. 6(1)(c)).

c) Withdrawal. If you withdraw from a contract, including through the online withdrawal form, we process your name, contact details, order number and the date and time of your notice to handle the withdrawal, send you an acknowledgement of receipt and process the refund (Art. 6(1)(b) and (c)).

d) Communication. If you contact us by email or telephone, we process the data you provide to handle your enquiry (Art. 6(1)(b) or (f) – our legitimate interest in efficient customer communication).

e) Technical data. When you visit the website, your browser transmits technical data such as IP address, date and time, browser type and device information. This is needed to display the site and keep it secure (Art. 6(1)(f)).

f) Statistics (Google Analytics). Only if you allow “Statistics” in the cookie banner, we use Google Analytics to measure how the website is used. Details are in section 8. Legal basis: your consent (Art. 6(1)(a) GDPR; Art. 61 of the Lithuanian Law on Electronic Communications, § 25 TDDDG in Germany and equivalent national rules). You can reject all, choose individual categories, or change your decision at any time.

g) Legal claims. We may retain data needed to establish, exercise or defend legal claims (Art. 6(1)(f)).

3. How the website forms work

When you send the configurator request form, the contact form, the consultation form or the online withdrawal form, the data you enter is transmitted to our email inbox (info@forestkings.com) through a form delivery service (Web3Forms; if it is unavailable, FormSubmit). The service forwards the message to us and does not use it for its own purposes. If automatic sending is not possible, your own email application opens with a prepared message, and the data reaches us only when you send that email. Email is not end-to-end encrypted by default; please do not include sensitive information in your message.

In addition, the data you send through these forms is saved in our order database, operated by our database provider Supabase, so that we can process your request as an order. Only our authorised staff can access it. Prices and configurator settings are also loaded from this database; when your browser loads them, your IP address is transmitted to the provider.

4. Recipients of data

We share personal data only where necessary and with appropriate safeguards:

- website hosting: GitHub Pages (GitHub, Inc., USA) delivers the pages of this website, and your IP address is transmitted when you visit;
- form delivery services (Web3Forms, FormSubmit) and our email provider (Hostinger), see section 3;
- Supabase (our order database: form data, prices and settings), see section 3;
- Google (Google Analytics, only with your consent), see section 8;
- banks that process your bank transfer and our refunds;
- freight forwarders, carriers and shipping lines that deliver the product, and service partners where needed for service or warranty;
- accountants, tax advisers and legal advisers bound by confidentiality;
- public authorities, courts and customs where required by law (e.g. for deliveries outside the European Union).

The website loads a 3D graphics library (three.js) from the Cloudflare CDN (cdnjs.cloudflare.com). When your browser retrieves it, your IP address is transmitted to Cloudflare. We do not use Google Fonts or other externally loaded fonts. We do not sell your personal data.

5. Transfers outside the EU/EEA

Some of our service providers (e.g. GitHub, Google, Cloudflare) are located in or have parent companies in the USA. Transfers are based on the EU–US Data Privacy Framework (adequacy decision of the European Commission of 10 July 2023) where the provider is certified, and otherwise on Standard Contractual Clauses under Art. 46 GDPR. The United Kingdom benefits from an EU adequacy decision. If you order delivery to the United States or another third country, we transfer the delivery data needed for shipping and customs to carriers and authorities in that country, as this is necessary to perform the contract (Art. 49(1)(b) GDPR).

6. Retention periods

- Orders and enquiries that do not lead to a contract: deleted within 12 months after the last contact, unless you ask for earlier deletion;
- Contract, order and invoice data: for the period required by law – accounting documents generally up to 10 years;
- Warranty and service records: for the duration of the warranty and applicable limitation periods;
- Google Analytics data: 14 months; Google Analytics cookies: up to 2 years;
- Cookie consent choice: up to 12 months, then we ask again.

7. Cookies

Strictly necessary technologies (e.g. storing your cookie choice in your browser) do not require consent. Statistics cookies (Google Analytics: “_ga”, “_ga_<ID>”) are set only after you click “Accept all” or enable “Statistics” under “Settings”. “Reject all” keeps them off. We currently do not use marketing cookies. You can change your choice at any time via “Cookie settings” at the bottom of the website, and you can delete cookies in your browser settings.

8. Web analytics (Google Analytics)

With your consent, this website uses Google Analytics 4, a web analytics service of Google Ireland Limited, Gordon House, Barrow Street, Dublin 4, Ireland (“Google”). Google Analytics is loaded only after you allow “Statistics” cookies.

What is collected: pages you visit, time and duration of the visit, the website you came from, device type, browser, operating system, screen size and your approximate location (country/city). Google Analytics 4 does not store your full IP address. Google sets cookies (e.g. “_ga”, “_ga_<ID>”) to recognise your browser on later visits.

Purpose: to understand how visitors use the website and to improve it.

Transfer to third countries: data may be transferred to Google LLC in the USA. Google LLC is certified under the EU–US Data Privacy Framework; in addition, Standard Contractual Clauses apply.

Withdrawing consent: you can withdraw your consent at any time with effect for the future via “Cookie settings” at the bottom of the website (switch off “Statistics”).

9. Your rights

You have the right to:

- access your personal data (Art. 15 GDPR);
- have inaccurate data corrected (Art. 16);
- have your data erased (Art. 17);
- restrict processing (Art. 18);
- data portability (Art. 20);
- object to processing based on legitimate interests (Art. 21);
- withdraw consent at any time, with effect for the future, without affecting earlier processing (Art. 7(3)).

To exercise your rights, contact us at info@forestkings.com or using the other details in section 1. We may need to verify your identity. We respond within one month.

10. Complaints

You may lodge a complaint with a supervisory authority, in particular in your country of residence or place of the alleged infringement. Our lead authority is the Lithuanian State Data Protection Inspectorate (Valstybinė duomenų apsaugos inspekcija), L. Sapiegos g. 17, LT-10312 Vilnius, Lithuania, www.vdai.lrv.lt, ada@ada.lt. Visitors from the United Kingdom may also contact the Information Commissioner’s Office (ICO), www.ico.org.uk.

11. Obligation to provide data and automated decisions

Providing data is voluntary, but without name, email and delivery country we cannot process your order or answer your enquiry. We do not use automated decision-making or profiling that produces legal effects for you.

12. Security

We use appropriate technical and organisational measures to protect personal data against loss, unauthorised access and misuse, including restricted access and encrypted connections (HTTPS).

13. Changes

We may update this policy when our services or legal requirements change. The current version is always available on this website.
